

STEWARDS COMMUNICATION VALID FOR THE 2018 ELMS SEASON

From The Stewards of the Meeting **Communication n.1**
To All competitors

As per article 10.8.9 of the European Le Mans Series, cars in the LMP3 Class have a reference pit stop time that must be achieved at least 2 times during the race.

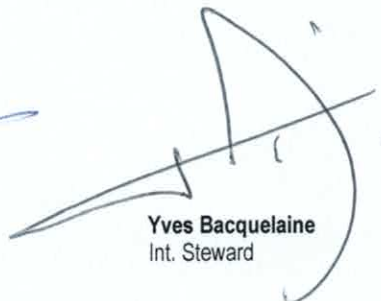

Considering the new pit stop rule (art 10.8.3.2) who allows the wheel change during refuelling operations and due to the fact that the length of the pit lane varies from circuit to circuit, below is a table that will be applied for the 2018 season.

To make it easier for everyone to control, times were rounded up or down to match the nearest multiple of 5.

The Race Director and/or the Stewards reserve the right to change the below table if necessary. If this is the case, teams will be duly informed.

ELMS LMP3	Pit Length	Pit Time	Fuel+Tyres	Total Time
Le Castellet	426 m	26,6 sec	55 sec	80 sec
Monza	418 m	26,1 sec	55 sec	80 sec
Red Bull Ring	327 m	20,4 sec	55 sec	75 sec
Silverstone	337 m	21 sec	55 sec	75 sec
Spa-Francorchamps	386,6 m	24,1 sec	55 sec	80 sec
Portimao	472 m	29,5 sec	55 sec	85 sec
