DECISION N°: 19-D0018-LMP2-Tyre allocation SILV

DATE: 24/07/2019 **FROM:** The European Le Mans Series Committee

SUBJECT: Tyre allocation for LMP2 cars for the Silverstone Competition

APPLICABLE REGULATION

Article 7.7.1 2019 European Le Mans Series Sporting Regulations

DECISION

For safety reasons, the tyre allocation for LMP2 cars for the Silverstone Competition is amended as follows:

7.7.1 For the competitors in the LMP2 category the use of tyres is regulated as follows:

Only 2 of the 3 specifications of tyres for a dry track (slicks), 1 specification of wet-weather tyres and 1 specification of intermediate tyres (number of specs for all 2019 LMP2 cars), which have been declared by tyre manufacturers to the FIA for the 2018-2019 FIA World Endurance Championship season, are allowed on each Competition.

The number of tyres for dry track (slicks tyres) is limited as following:

- 2 set of tyres for the whole free practice sessions
- ~~3~~ 4 sets of tyres for the qualifying session and the race.
- 2 additional tyres can be used at any time during a Competition (free practice, qualifying and race combined)

PERIOD OF VALIDITY/APPLICATION OF THE DECISION

This decision comes into effect:

- with immediate application
- from: Silverstone 2019**

And is applicable:

- until further notice
- for the above-mentioned Competition only**
