

From April 15<sup>th</sup> to April 18<sup>th</sup> 2021

From The Stewards of the Meeting  
To All competitors

Bulletin n.1

ELMS Stewards  
Log N° 3

- 1) The Stewards approved the Version V3 of the Timetable dated 30/03/2021.
- 2) The Stewards reported the DECISION N°ELMS21\_D0009\_All\_Post\_covid\_Scrutineering

#### 5.1.2 Scrutineering

~~A maximum of six people of a team are authorised per car during scrutineering. Pre-race scrutineering involves a number of checks, decided at the discretion of the Scrutineers, and focusing primarily on safety. Each competitor is required to carry out initial scrutineering of his car and report by filling all information required by the online declaration forms.~~

No car can take part in the Competition unless it has been approved following the initial scrutineering. This approval is shown by a dedicated sticker (see article 7.1.8). The fact that a car, part or Competitor has satisfied its obligations concerning ~~pre-race~~ initial scrutineering does not imply its conformity to the applicable Technical Regulations, which is of the exclusive responsibility of the Competitor (see Article 1.3.3).

~~Pre-race~~ initial scrutineering concerns a minima

Documents, such as (non-exhaustive): the equipment declaration online forms (which must be continually updated during the Competition), the Homologation Form of the cars.

Safety features and devices of the cars.

Safety features and devices of the drivers, such as (non-exhaustive): the homologation of the overalls, helmets and frontal head restraint devices (in the conditions defined in Appendix L to the Code). No modification to the helmet and frontal head restraint device is authorised apart from those homologated. For easier identification and for the unity of the crews, the drivers of one and the same car are obliged to wear identical overalls

~~If a Competitor is found to have declared false or wrong information during the initial scrutineering process By delegation of the Panel of Stewards (but without prejudice of the Technical Delegates' right to resort to it) any breach found by the Technical Delegates may result in a minimum 15 minutes stop & go penalty per breach.~~

~~Such a penalty must be served at the start of the next free practice session (either of the Competition in question or the next one).~~

~~The above-mentioned delegation is valid only until qualifying starts.(...)~~

#### 5.3.1 Random checks

~~At any time during the Competition, the Scrutineers may select a car at random and will carry out random checks. (...)~~

- 3) The panel of Stewards decided to modify the following article of Appendix 1 (RFEDA permit number n° 21027):

#### Part A (cf. Article 2.2)

#### 8. Precise location at the circuit

Official notice board: Control Tower Ground floor and virtual notice board on the following link
