From The Stewards of the Meeting
To The Competitor's Representative
Car n° 60 – IRON LYNX

Decision N° 10

ELMS Steward
Log N° 30

Following a request sent by the Competitor to the Stewards, on proposal of the ELMS Race Director, considering article 10.2.2 of the 2021 ELMS Sporting Regulations, the Stewards decided the car no.60 which didn't comply with the minimum of qualifying lap times (110% of the best time set by the fastest car in their category) will be allowed to take part in the Race and will be placed at the back of the grid.

The Stewards refused the request by the Competitor to allow the driver Claudio Schiavoni to take the start of the Race because the lap times set by the driver during the Qualifying session were deleted due to track limits infringement and no time was set during the Qualifying session. According to the time set during the FP1 and FP2 Paolo Ruberti was the fastest driver of the crew who is authorized to take the start.
