Appendix A 2022 Technical Regulations for LMP3 Prototypes

Appendix 2 2022 Technical Regulations for "Le Mans" Grand Touring Cars – LMGTE homologated from 2016

DECISION

Because of the specificities of the Barcelona circuit, the ELMS Committee needs to amend the Technical Regulations as follow:

In order to keep the fuel rig below the concrete canopy that is in front of the pits, competitors must prepare a shorter vent pipe in such a way that the higher point of this one is at 3m maximum from the ground.
