## CATEGORY

☒ LMP2 ☒ LMP3 ☐ LMGTE

## PURPOSE OF THE REQUEST

On 02/06/2021 was emitted a Bulletin ELMS21\_D00117 regarding All Pit Stop Clarifications, with the possibility to park the car at 45 degrees and use the skates to place it in parallel to the line ONLY if both adjacent working areas are occupied when the car stops or leaves its area.

However, we regularly see teams using skates only with one adjacent working area occupied (*and the other adjacent area being very clear, not with a car placed a couple of areas away and complicating the stop*), and we usually don't see reports nor penalties on this.

Is this obligation still valid ?
