PURPOSE OF THE REQUEST

Art 4.2.3

It looks like the team camera to record the pit stop is not allowed from this year for the qualifying and the race (page 18). The regulation said it may be used as evidence in our defence in case of an inquiry but if we don't have it, it will be difficult to do it. Also, it seems strange for us as in WEC now, it is mandatory for each competitor to get one.
